

Accelerated Resolution Therapy (ART):
*An Innovative Mental Health and Mind-Body Intervention
to Treat PTSD and Related Comorbidities*

Kevin E. Kip, PhD, FAAAS, FAHA

Dr. Kevin E. Kip is a Distinguished Health Professor in Epidemiology in the College of Public Health at the University of South Florida, Tampa, FL. He is also a Fellow of the American Association for the Advancement of Science (AAAS), and co-author on more than 180 peer-reviewed publications. Dr. Kip is the leading researcher worldwide in the study of Accelerated Resolution Therapy (ART), a brief, emerging, “mind-body” treatment for post-traumatic stress disorder (PTSD) and related comorbidities.

Friday, September 13th, 2019 | 9:00 AM
