| 7. Primary Department:
Studies | Nursing and Health |
| 8. Secondary or Joint Appointments: | N/A |
| 9. Citizenship: | N/A |
| 10. Visa Type (if non-citizen): | N/A |

HIGHER EDUCATION

11. Institutional:

Universidad Central del Este, School of Medical Sciences
San Pedro de Macoris, Dominican Republic- 1997-1999, 2000-2003
Degree: Doctor of Medicine

Currently enrolled at Capella University -PhD in Multidisciplinary Human Services, with a concentration in Public Health.

12. Non-Institutional

13. Certification, licensure: N/A

EXPERIENCE

14. Academic:

- May 2006-
Present University of Miami School of Nursing and Health Studies.
Lecturer
Courses taught include:
Human Anatomy, lecture and lab, Systemic Physiology, lecture and lab, Pathophysiology (Graduate and Undergraduate), Pharmacology (graduate and undergraduate), Health Assessment Lab, Health and the Environment, Biological Principles of Public Health and Bootcamp-Online Prep Course.
- January 2006-
April 2006 Florida International University, Robert Stempel School of Health
Public Adjunct Professor of Applied Epidemiology (PHC 4500 undergraduate)
- January 2006-
April 2006 Miami-Dade College, Wolfson Campus, Miami Florida)
Adjunct Professor of Human Anatomy and Physiology
- August 2005-
April 2006 St. Thomas University. Adjunct Professor of Biological and Sciences, for the 2+2 Nursing Program-
Physical Courses include:
 - General Biology for Science Majors (Bio 108 & Bio 109)
 - Medical Terminology, for nursing majors (Bio 298)
 - Medications Calculations for nursing majors (Bio 299)
 - General Science for Non-Science Majors SCI-116
- 2004-
May 2006 University of Miami, Department of Psychiatry and Sciences, Center for Family Studies.
Behavioral
- National
Trials Network.

to
the

clinical
- Brief Strategic Family Therapy Study, sponsored by the Institutes on Drug Abuse, part of The Clinical

HIV knowledge among Transgender women. Oral presentation.
Association of Nurses in AIDS Care 26th Annual Conference. Atlanta,
GA.*

TEACHING

27. Teaching Awards Received:

28. Teaching Specialization:

- a) Implementation of a virtual anatomy laboratory, using interactive 3-dimensional anatomy software. HCS 213
- b) Physiology Laboratory (HCS 215)– Using human computerized data acquisition systems.
- c) International Programs (HCS 487)- Implementation and development of Health Science educational programs with Pontificia Universidad Catolica, in Santiago, Chile.
- d) Developed a Baccalaureate Program of health Science in International Health
- e) Member of the team that developed and implemented the Bachelors of Science in Public health (both Major and Minor)
- f) Development of public health courses such as Environmental health (HCS 309), Biological Principles of Public Health (HCS 352) among others.
- g) Developed online Psychopharmacology course (NUR 68250) for the Psychiatric mental Health Nursing Certificate Program
- h) Developed and implemented the MSN Bootcamp Prep-course, for students entering graduate nursing programs.
- i) Developed a course in Human Embriology
- j) Developed an online course in medical terminology for Public Health/Health Science/Nursing students.

Courses taught		
Date	Course ID	Course Name
2006-2012	NUR 612	Advanced Pathophysiology
2006-Present	HCS 212/213	Human Anatomy Lecture/Lab
2006-Present	HCS 215/216	Systemic Physiology Lecture/Lab

2009-10	HCS 207	Introductory Pharmacology
2010	NUR 307	Nursing pharmacology
2010- Present	NUR/HCS/BPH 487	Global health Practicum
2012-2013	BPH 309	Health and the Environment
2013-Present	BPH 352	Biolog. Principles of Public Health
2014	NUR 315	Pathophysiology
2019	HCS 217	Medical Terminology

29. Thesis and Dissertation Advising/Post-doctoral student supervision:

SERVICE

30. University Committee and Administrative Responsibilities:

2010-2011 Curriculum Committee

2011-2012 Public Health Development Committee

2010- Present Health Science Student Association faculty Adviser

2013-Present Undergraduate Academic Standing Committee

2016-Present Summer Scholars Program

31. Community Activities:

2010-present Judge at the Miami-Dade County Public Schools Science fair
